care

Hand Sanitizer Healthcare Solutions

Advanced Antibacterial.

So fresh, so clean. Instantly.

Kill 99.9% of germs instantly. New Refrasia Care Hand Sanitizer is an advanced antibacterial made with 70% alcohol. That's 10% more than standard for a better clean. The quick absorbing gel dries 1/3 faster than the leading hand sanitizer, so users can keep up with the demands of their busy lifestyle.

Choose from two pack sizes, 6-64 ounces or 4-1 gallon.
